February 25, 1994

Dear Members,

Spring is drawing near and soon we will have the opportunity to travel to those numerous cemeteries in hopes of finding a long lost relative. Now may be the time to page through those many notebooks, sorting out the information we have and making up a list of our goals for this summer.

We are planning a research trip to the State Historical Society on Saturday, March 26, 1994. A car pool will leave the southwest corner of Northway Mall at 6:00 a.m. sharp! This is a great opportunity to gather information. Please join us if you can.

I want to thank all of those individuals who helped with the M.A.G.G. Workshop held on Saturday, February 19, 1994 at the Marshfield Library. I received many wonderful comments on the mini-sessions that were held. Thanks to everyone who helped make this event a success!

Election of new officers will be coming up in May. I have selected Bill Holmquist and Elaine Hansen to be on the nominating committee. They will be contacting members and asking for your interest to serve as an officer and member of the board. I would appreciate any time you could give the group.

Sincerely,

Jane Braun  
President

Each officer, board member and committee chairperson should update their book and papers at this time whether the book will be passed on to someone else or not.

## ARCHDIOCESE OF MILWAUKEE RECORDS

In the Fall of 1993 the Genealogical Society of Utah completed a major microfilming project of Catholic records at the Archdiocese of Milwaukee Archives. Records filmed include pre-1921 sacramental records for all parishes in the ten county area comprising the archdiocese (Dodge, Fond du Lac, Kenosha, Milwaukee, Ozaukee, Racine, Sheboygan, Walworth, Washington and Waukesha). Span dates of records filmed are circa 1840's-1920. Sacramental records include baptism, marriage, death, first communion and confirmation (not all records exist for all parishes).

The final product of this project consists of 105 reels of microfilm. Use copies of the films are on permanent loan at the Hales Corners Family History Center of the Church of Latter Day Saints (9600 W Grange Ave., Hales Corners, WI 53130. Telephone 414-425-4182). Centers elsewhere in Wisconsin and throughout the country are able to order the films from Salt Lake City.

The Archdiocesan Archives will continue to respond only to mail genealogical inquiries. The Archives will not respond to telephone inquiries, nor is on-site use of the microfilms possible. Inquiries should be mailed to:

The position of the horse's feet indicates the following: All four feet on the ground indicates that the individual died a natural death. A horse with one hoof raised means that the rider died of wounds sustained in battle. If two hooves are raised it means the rider was killed in battle. This is an international code followed by all sculptors.--from *Effingham Co.
