## RESEARCH TRIP TO MADISON, STATE HISTORICAL SOCIETY LIBRARY

On Saturday, April 21, 1989, the Marshfield Area Genealogy Group will spend a day at the State Historical Society Library at Madison. A car pool will leave the southwest corner of Northway Mall at 6 a.m. sharp and return about 9:30 p.m. Again we will plan to stop for supper at Madison's Heritage House. Their smorgasbord is about \$6 plus tip. The trip down permits discussion of resources available, where to find these resources and personal research tips about the Library. The round trip fare will be about \$10. Those who cannot sign up at the March meeting are asked to sign up by calling Vicki Johnson at 683-2861.

## GENEALOGY COMPUTER PROGRAMS FOR IBM-PC COMPATIBLE COMPUTERS

On Thursday, March 22, 1990, three members of the M.A.G.G. Computer Interest Group will discuss their experiences using various programs on their IBM or IBM compatible computer. Each will give a ten minute demonstration of how to enter data into a record, similar to a family group sheet. They will have examples of the printed output sheets that each program makes. Some of the printed sheets will include: a printed *family group sheet*, a computer generated *ancestor chart*, and a computer generated *descendant list* (from an early ancestor). After all three have made their presentations, there will be time for questions and discussion.

Jim Hoehn will present Roots II. David Johnson will show Brothers Keeper. Sue LaSavage will discuss Personal Ancestral File from the Latter Day Saints (PAF-LDS).

The Computer Interest Group will meet at 6:30 p.m. for a brief discussion of documenting sources in narratives written on a computer. All are welcome to attend.

Dear friends,

With spring and summer coming soon I'm sure all of you are planning your vacations around areas of research. This year I would like to go to Bryant, S. Dakota to visit new found relatives. Hopefully, all your trips will be fruitful as well.

In May we will be having our election of officers for the upcoming year. In the past members have been somewhat leery about taking on a more active role in the group. There is not alot of expectations to any of these positions. The members of the board and I would like our members to feel like they are a part of this fun group. We hope that all of you that have helped in the past continue to do so and that anyone desiring to become more involved jump in, we would love to have you.

There are a couple of trips planned for this spring that I hope some of you can enjoy. We will be travelling to the State Historical Society in Madison on Sat. April 21, 1990. Details in the newsletter. Also a trip to the LDS Branch Library in Shawano, WI. They have completed their remodeling and I have travelled over there once so far, finding their resources growing every day.

The June Dairy Days will be the first weekend in June, again we will be displaying our hobby in the Northway Mall. I am looking for interested people to help with this project, please contact me.

Always,

Vicki Johnson

#### CENSUS DAYS

April 1 was not always the Census Day. An age found on a federal census record is supposed to be the age of that person on the Census day, date, even if the census taker took the census before or after that date. Census Days:

1790-1820 First Monday in August

1830-1900 June

1910 April 15

#### GLASNOST HELPS RESEARCHERS

Due to Soviet President Mikhail S. Gorbachev's glasnost policy the identity cards of 130,000 prisoners of the Auschwitz concentration camp have been turned over to the International Red Cross.

"The deaths of over 74,000 people were neatly recorded, day after day, hour after hour, in 46 huge volumes. Their names, the birth dates and the names of their parents were written down."

The International Red Cross, will soon begin the task of processing the cards, making it possible to identify the citizens of many countries who were victims of Auschwitz.--from *Milwaukee Sentinel 9/22/89 via Gems of Genealogy, Bay Area Genealogical Society, Inc., Green Bay, Wisconsin, Vol. XV, No. 5, November December 1989, p. 2.*

#### 1990 FEDERAL CENSUS

1990 is the 200th anniversary of the federal census. It will not be made available to researchers until the year 2062. (Few of us will ever be able to use it.) When you fill out the form for the census taker, make a copy for your own files.--from *N.S.G.S. Publication, N.S.G.S. Chapter Chatter, Madison, WI, Volume IV, Number 3, Winter 1990, page 1.*
